POLICE DEPARTMENT CAPITAL PURCHASE

Council discussed the purchase of new weapons for the police department. Council agreed the weapons purchased would become property of the City. Full time officers would keep their weapons in their possession with the understanding they were responsible to be kept clean. Part time officers would have to leave the weapon at City Hall after their shift was completed. An internal policy is to be prepared by the Police Chief covering both issues, the maintenance of weapons and part-timers use of City-owned pistols.

The original request was for 11 new weapons. Council agreed that 8 new weapons would be approved for purchase.

ADJOURNMENT

The work session was adjourned at 7:15 p.m.
